

HONOLULU BABY

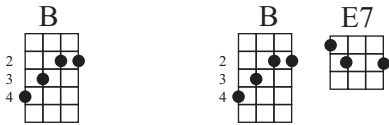

While down on a South Sea island Under-

-neath the beauty of the stars

I strayed upon some maidens who were

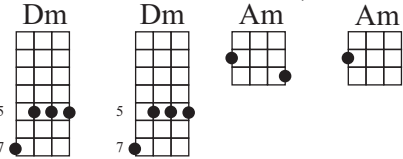

strumming on their guitars

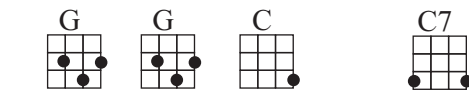

A hula maid was dancing

And I knew I'd found my paradise

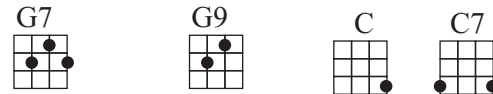

So this is what I told her

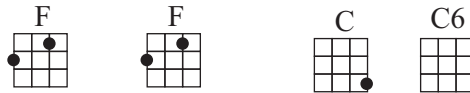

As I gazed into her eyes... Honolulu ...

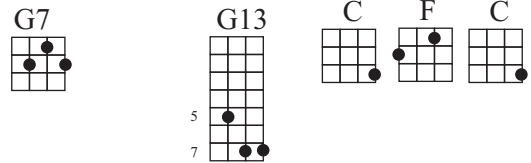

baby, where'd you get those eyes

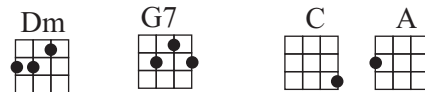

And that dark complexion, I just idolize

Honolulu baby, where'd you get that style

And the pretty red lips, and that sunny smile

When you start to dance, your hula hips entrance

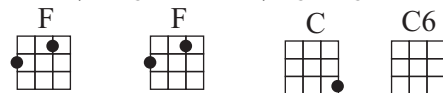

When you shake it up and down

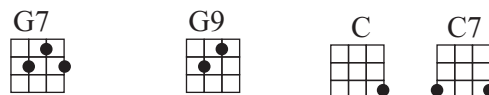

You shake a little here, you shake a little there

Well you got the boys going to town Honolulu...

baby, sure know your stuff

Honolulu baby, gonna call your bluff
